

SUSTRATOS ROCOSOS / ROCKY SUBSTRATES

- 0003 Villalobos, C. R. (1979). Variations in population structure in the genus *Tetraclita* (Crustacea: Cirripedia) between temperate and tropical populations. I. Fecundity, recruitment, mortality and growth in *T. rubescens*. *Revista de Biología Tropical*, 27, 279-291.
- 0004 Villalobos, C. R. (1979). Variations in population structure in the genus *Tetraclita* (Crustacea: Cirripedia) between temperate and tropical populations: II. The age structure of *T. rubescens*. *Revista de Biología Tropical*, 27, 293-300.
- 0011 Villalobos, C. R. (1980). Variations in population structure in the genus *Tetraclita* (Crustacea: Cirripedia) between temperate and tropical populations. III. Fecundity, recruitment, mortality and growth in *T. stalactifera*. *Revista de Biología Tropical*, 28, 193-201.
- 0014 Villalobos, C. R. (1980). Variations in population structure in the genus *Tetraclita* (Crustacea: Cirripedia) between temperate and tropical populations. IV. The age structure of *T. stalactifera*, and concluding remarks. *Revista de Biología Tropical*, 28, 353-359.
- 0346 Díaz-Fergusson, E., & Vargas-Zamora, J. A. (2001). Abundance of *Petrolisthes armatus* (Crustacea: Porcellanidae) on a tropical estuarine intertidal rocky beach, Gulf of Nicoya estuary, Costa Rica. *Revista de Biología Tropical*, 49 (Supplement 2), 97-101.
- 0375 Schmidt, S., Wolff, M., & Vargas, J. A. (2002). Population ecology and fishery of *Cittarium pica* (Gastropoda: Trochidae) on the Caribbean coast of Costa Rica. *Revista de Biología Tropical*, 50, 1079-1090.
- 0450 Gravel, P., Johanning, K., McLachlan, J., Vargas, J. A., & Oberdörster, E. (2006). Imposex in the intertidal snail *Thais brevidentata* (Gastropoda: Muricidae) from the Pacific coast of Costa Rica. *Revista de Biología Tropical*, 54 (Supplement 1), 21-26.
- 0453 Sibaja-Cordero, J. A., & Vargas-Zamora, J. A. (2006). Zonación vertical de epifauna y algas en litorales rocosos del Golfo de Nicoya, Costa Rica. *Revista de Biología Tropical*, 54 (Suplemento 1), 49-67.
- 0524 Sibaja-Cordero, J. A. (2008). Vertical zonation in the rocky intertidal at Cocos Island (Isla del Coco), Costa Rica: A comparison with other tropical locations. *Revista de Biología Tropical*, 56 (Supplement 2), 171-187.
- 0544 Sibaja-Cordero, J. A., & Cortés, J. (2008). Vertical zonation of rocky intertidal organisms in a seasonal upwelling area (Eastern Tropical Pacific). *Revista de Biología Tropical*, 56 (Supplement 4), 91-104.
- 0659 Sibaja-Cordero, J. A., & Cortés, J. (2010). Comparación temporal de la composición y zonación de organismos en el intermareal rocoso del Parque Nacional Isla del Coco, Pacífico de Costa Rica. *Revista de Biología Tropical*, 58, 1387-1403.
- 0700 Sibaja-Cordero, J. A., & Troncoso, J. S. (2011). Upper and lower limits of rocky shore organisms at different spatial scales and wave exposure (Islas Cíes, NW Spain). *Thalassas*, 27, 81-100.

- 0701 Troncoso, J. S., & Sibaja-Cordero, J. A. (2011). Spatial pattern of vertical zonation of rocky shore organisms and the influence of ocean exposure at the Islas Cíes (NW Spain). *Journal of Oceanography and Marine Science*, 2, 23-31.
- 0856 Sibaja-Cordero, J. A., & García-Méndez, K. (2014). Variación espacial y temporal de los organismos de un intermareal rocoso, Bahía Panamá, Pacífico Norte, Costa Rica. *Revista de Biología Tropical*, 62 (Suplemento 4), 85-97.
- 1076 Azofeifa-Solano, J. C., Salas-Moya, C., Cubero-Campos, Y., & Sibaja-Cordero, J. A. (2018). Influencia de la vigilancia en una zona rocosa dentro de un área marina protegida, Pacífico Central de Costa Rica. *Revista de Biología Tropical*, 66, 984-995.
- 1082 Mora-Barboza, C., & Sibaja-Cordero, J. A. (2018). Occurrence, demography, and habitat features of *Pollicipes elegans* (Pollicipedidae: Scalpelliformes), an amphitropical species at a rocky intertidal shore, Costa Rica. *Pacific Science*, 72, 449-461.
- 1365 Vargas, J. A., & Vargas-Castillo, R. (2023). Museum specimens and occurrences of *Glottidia audebarti*, *Discradisca strigata* and other brachiopods (Brachiopoda) in the Pacific of Costa Rica. *UNED Research Journal*, 15 (1): e4624.
